UAE GOLF ONLINE

Banner Advertising on the Website

UAE Golf Online has been operational in several different formats since 2009, showcasing UAE Golf Courses and UAE Golf News to the online world.

The UAE boasts a variety of world class Golf Courses with superb service and the latest teaching facilities, so you can see some of the many reasons why we built the UAE Golf online website, when there is so much to offer.

With more content and sections added and developed over the past 12 months+ UAE Golf Online goes forward from strength to strength as the definitive UAE Golf Course Guide and Golfing News portal. There will be many more additions over the next 6 months helping continue the growth UAE Golf Online.

We also release our own unique digital videazine which is a leader in its field within worldwide Digital Golfing magazines and Digital Magazines in this region.

UAE Golf Online has top 10 ranking search listings on many terms on Google etc, including:

UAE Golf
UAE Golf Course Guide
Golf in the UAE
UAE Golf Courses

Traffic on the website varies with the UAE Golf season. From the last year traffic has been within 6,000 - 14,000 monthly page views, from many different countries with the main ones being the UAE, UK and USA.

UAE Golf Online latest Social Media follower Count:

Twitter - 3100+
Facebook Page - 428
Facebook Golf Profile 4000+
Various other channels 1,000+

Currently there are 3 main graphic banner positions to advertise on the UAE Golf Online Website.

POSITION A - Top right main header Banner
POSITION B - Main content middle Banner
POSITION C - Right side content square Banner

Please read on further to see an expansion on each position.

Any other Questions you have please contact me.
